

ADVANCING THE MISSION

HONOR YOUR ROOTS this Spring!

Spring is a season to remember the deep roots, strength and stability we find in God's love. As it's said in Ephesians 3:17-19: "May Christ dwell in your hearts through faith—that you, being rooted and grounded in love, may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God."

Spring is also a time to think about how we, as Catholics, can nourish these roots to grow our legacy and ministry. In this edition of *Advancing the Mission* we will share how the Advancement Foundation works with the Diocese of Fort Worth to help you honor your roots.

SUPPORT MARRIAGES AND FAMILIES

Before June 30

Last month we sat down with Chris Vaughan, Director of Marriage and Family Life for the Diocese of Fort Worth, to hear how the Annual Diocesan Appeal supports his department. Chris shared the ways the diocese supports the Church's vision for marriage and its transitions along the way. Some parishes depend on the Diocese for marriage enrichment retreats throughout the year and thanks to the generosity of donors to the Annual Diocesan Appeal, Chris has seen 'deeper roots' forming in the marriages of couples needing support in small communications and bigger issues.

CONGRATULATIONS TO ST. MARK CHURCH

Building a Community to Worship as One

Inspiring. Amazing. Reverent. Those are some of the words parishioners used to describe the recently completed St. Mark Church dedicated by Bishop Michael Olson April 13 in Argyle. The mission-style structure, featuring two bell towers and a dome dedicated to the Holy Spirit, is the faith community's first church building in its almost 30-year history. The entire parish, coming together to achieve a common goal, helped the capital campaign and construction process succeed. Establishing firm roots, St. Mark grew from a mission community with 400 families in the 1990s to 2,700 families today.

The Advancement Foundation team was pleased to be part of the efforts to raise the necessary funding for St. Mark Church. [Read more in the North Texas Catholic.](#)

STEWARDSHIP PRAYER

Gracious and Loving God,

When your Spirit descended upon the apostles at Pentecost, they spoke the languages of those who came to hear their testimony.

They proclaimed a new covenant in Christ Jesus, sanctified by his blood, bound by the Holy Spirit, and sealed in the waters of Baptism.

We give you thanks and praise for releasing your Spirit upon us; and in these anxious times pray that it will break through the many barriers that divide people.

Let your Spirit open our eyes as a communion of faith to your ongoing presence among us, so we can recognize you when we serve one another.

Let your Spirit open our minds so that we may gain the wisdom to work together to show love for our neighbors, and unite our talents to build a better, safer world.

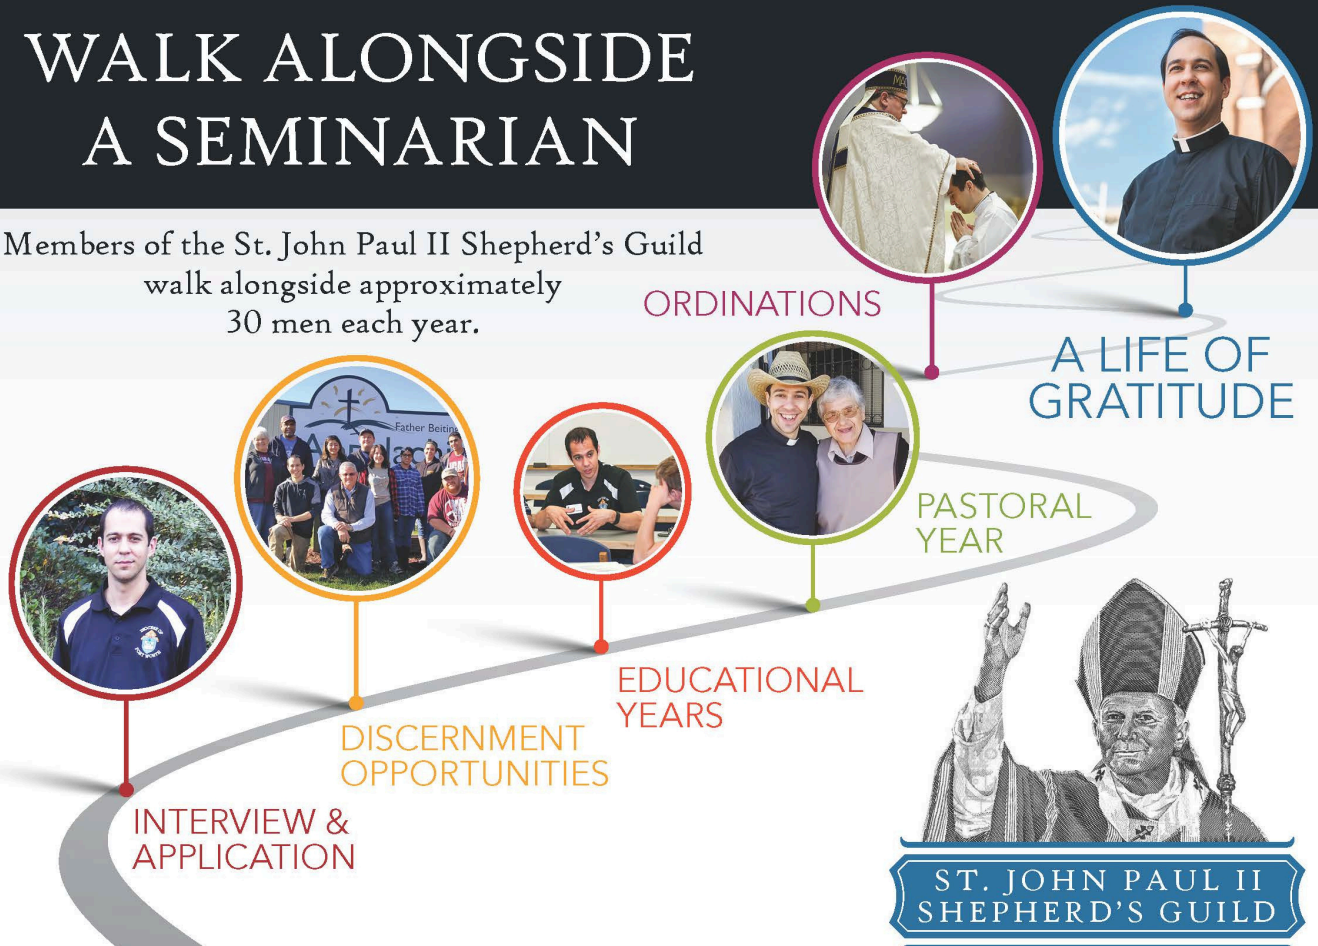

And let your Spirit open our hearts so that together we can live more fully in Christ, shine his light of mercy and hope and prepare for the day of his glorious return.

We pray this through your son, Jesus Christ who lives and reigns with you and the Holy Spirit, God forever and ever.

Amen

Contributions to the St. John Paul II Shepherd's Guild benefit the Seminary Burse, an endowment fund with \$8.3 million in assets. The Seminary Burse annually distributes income to the Diocese of Fort Worth to pay for the expenses of educating seminarians.

Our goal is to add \$1 million to the burse each year with contributions of \$2,500 each from 400 faithful Catholic families. A fully-funded endowment of \$28 million will cover the annual expenses for seminary formation in the diocese.

Our four amazing Cristo Rey Fort Worth College Prep student interns are pictured here on Presentation Day. It has been another great year and these four ladies have been a valuable asset to our team as they serve the donors to the Annual Diocesan Appeal, the Catholic Diocese of Fort Worth, its parishes, schools and ministries. At the Foundation the students are being rooted in the disciplines of working in a professional office setting, skills that will serve them well for a lifetime.

YOUNG STEWARDSHIP: A WITNESS TO YOUNG PEOPLE

“Jesus’ call is urgent. He does not tell people to follow him at some time in the future but here and now — at this moment, in these circumstances. There can be no delay” (SDR, p. 14). This excerpt from the U.S. bishops’ pastoral letter, *Stewardship: A Disciple’s Response* is particularly powerful. As stewardship leaders, we must constantly ask ourselves these questions: What is our particular moment of life personally and in our faith community? What circumstances must we take into consideration as we call one another to live and grow as stewards, especially our young people?

In the first chapter of the bishops’ letter, they help us to recognize that embracing stewardship is about living out our particular vocations and acting as compelling Christian witnesses to others. We discern Christ’s call for us in the context of the community of believers; we respond to the urgent call of Christ. This is why it is very important that we begin forming our children and teens as stewards, so that they will recognize and respond to God’s grace in their lives, understand themselves as disciples of Jesus Christ from a very early age, and reflect on their response to Christ’s call and their many blessings as good stewards.

There is much evidence that such real-life, day-to-day faith formation is needed if our youth are to remain actively engaged in a life of faith within the faith community as young adults. In the United States over 30 percent of adults under the age of 30 are now unaffiliated. The majority of these young people leave their faith community before age 24. Young adults tell us they are looking for a meaningful way of life; they want to contribute to something that matters; they need to know that religion is not at odds with science, but rather, that faith brings a larger perspective to what is learned through science. They want and need to learn from the witness of adults who are actively living as faith-filled people in the world. Stewardship provides so much that our young people need. Forming young people to live as good stewards is a gift beyond what most of us can ask or imagine.

BENEFICIARY DESIGNATIONS

Make a Gift in 3 Easy Steps

Not everyone wants to commit to making a gift in their wills or estates. Some prefer the increased flexibility that a beneficiary designation provides by using:

- IRAs and retirement plans
- Life insurance policies
- Commercial annuities

It only takes three simple steps to make this type of gift. Here's how to name the Catholic Diocese of Fort Worth Advancement Foundation as a beneficiary:

1. Contact your retirement plan administrator, insurance company, bank or financial institution for a change-of-beneficiary form.
2. Decide what percentage (1 to 100) you would like us to receive and name us, along with the percentage you chose, on the beneficiary form.
3. Return the completed form to your plan administrator, insurance company, bank or financial institution.

Once you have done this, be sure to contact us and let us know that you have made a beneficiary designation for your parish, a Catholic school, a ministry or the Diocese of Fort Worth through the Advancement Foundation. Contact Renée Underwood, CFRE for more information or visit <https://advancementfoundation.planmygift.org/beneficiary-designations>

Spring is a season to remember the impact of deep roots in our lives of faith and family. The Advancement Foundation offers an online will-writing resource, to support our parish community in thoughtful estate planning.

By creating your plan, you can protect what God has entrusted you with and create an eternal legacy with your parish or the ministry of your choice. Visit <https://www.freewill.com/fortworthdiocese> to create your will today.
