

Sacred Heart Catholic School  
Muenster, Texas

**Position Opening:** High School Math Teacher

Sacred Heart Catholic School was founded in 1889 on the principles of faith, tradition, values, sacrifice, and excellence. Those same qualities still characterize our nationally recognized school today. Sacred Heart Catholic School continues to serve as the primary center for catechesis and evangelism for Sacred Heart parish.

Sacred Heart is not just a school, it is a family. In a family atmosphere, students receive personal attention, learn to serve one another, and experience community in Christ. While learning in an environment in which the Gospel message is proclaimed, students are steeped in the vibrant reality of the faith they profess.

The successful candidate will have a strong commitment to Catholic education and a willingness to work with a talented, motivated, and diverse student population and faculty colleagues. The successful Sacred Heart teacher is dedicated to developing the whole person in academics, religious growth, and commitment to others. The candidate will be responsible for teaching five sections of Mathematics. These sections will include some combination of the following:

Algebra 1  
Geometry  
Algebra 2  
Precalculus  
Calculus

The successful candidate will also be expected to assist with afterschool tutoring sessions and participate in coaching the Math Club.
