**Scholarships for Youth and Adults from your Parish**

There are many students that come to us asking for scholarships. Unfortunately we are very limited in scholarship money because the fees we charge do not cover the costs of the camp. It is always a great help when parish pro-life groups or Knight's Councils provide sponsorship for a youth or adult to attend camp.

Some parishes hand pick who they want to sponsor by holding an essay contest. Other parishes just see who wants to attend and then they pay their fees. We have even had a parish pro-life group give us a lump sum and ask us to pick who needs the scholarship the most. Whichever way your group can provide scholarship support would be awesome.

### **Items we need donated**

This list represents what is typically consumed during the week of Boot Camp. Items should be brought to UD on Thursday, July 29<sup>th</sup> (after 3:00) or Friday, July 30<sup>th</sup> (before 5:00). Items can be dropped off at the CPLC office, but to bring them directly to UD saves us from having to transport them along with all of our other Boot Camp materials. If you can donate any of the following items that would be a huge help to our budget. Starred items are items of greatest need.

We try to keep the cost low for Boot Camp so that the opportunity is available to as many as possible. This means that the fees collected from campers do not cover the actual costs of the camp.
